**We hope you enjoy the  
shibui experience and  
embrace our philosophy...  
wearable, touchable,  
low fuss hair...since '83**

shibui offers a sliding scale of prices based on years of experience and client demand for individual hairdressers.

The upper tier of the prices reflect that these hairdressers specialise in their chosen area and have over 15 years experience.

The lower tier represents a team of younger qualified hairdressers offering competitive prices under the watchful eye of their mentors.

We encourage clients to contact us during the first week or two after a service to discuss any problems. It is never our intention to charge for a service you may be unhappy with – in most cases only minor adjustments are required to ensure your satisfaction.

## cut & finish

Cutters prefer to work with the hair in its natural state. This ensures that both the cutter and client can see the outcome realistically for easy management. All haircut services include a low fuss natural blow dry finish.

**Please note:** A high fuss polished blow dry following a cut service incurs an additional \$15 loading - this is a time & energy issue.
